### Procedure and recording of investment decisions

All investment decisions, relating to the scheme(s), will be undertaken by the AMC in accordance with the Regulations and the investment objectives specified in the respective Scheme Information Documents.

The AMC has set up an Investment Committee which inter alia comprises the Chief Executive Officer, the Chief Operating Officer, the Chief Investment Officer of the AMC, the fund manager of all the schemes of the Mutual Fund, the Head - Risk Management and the Compliance Officer of the AMC. The Investment Committee determines the investment policy and philosophy with regard to different classes, sectors and counterparties. The Investment Committee provides guidance and monitors portfolios; it does not take investment decisions. The Investment Committee reviews the portfolio on a regular basis to ensure compliance with regulations. The Investment Committee monitors the portfolio on a daily basis and periodically reviews it to track illiquid assets and take corrective action. The Investment Committee researches and reviews issuers with regard to credit risk.

However, the fund manager will have the right to make all investment decisions.

All investment decisions taken by the AMC in relation to the corpus of the scheme(s) of the Mutual Fund shall be recorded.

With regard to investments in equity instruments, individual security wise reasons shall be recorded by the fund manager at the time of placing individual orders on the dealing desk. A detailed report will be made before taking any decision to invest in a company for the first time. Performance of the scheme(s) will periodically be tabled before the Boards of the AMC and the Trustee respectively. Performance of the schemes of the Mutual Fund vis-à-vis benchmark indices would be monitored by the Board of Directors of the Trustee and the AMC periodically. Further, the Board of Directors of the Trustee and the AMC will also review the performance of the Scheme in the light of performance of the mutual fund industry as published from time to time by independent research agencies and financial newspapers and journals.

### Underwriting

The schemes launched by the Mutual Fund may underwrite securities of other issuers in accordance with SEBI guidelines in that regard, as amended from time to time.

### Accrual of expenses and income

All expenses and income accrued up to the valuation date shall be considered for calculation of NAV. For this purpose, while major expenses like management fees and other periodic expenses would be accrued on a day-to-day basis, minor expenses and income will be accrued periodically, provided the non-accrual does not affect the NAV calculations by more than 1%.

### Recording of changes

Any changes in securities and in the number of units will be recorded in the books not later than the first valuation date following the date of transaction. If this is not possible, given the frequency of NAV disclosure, the recording may be delayed up to a period of seven days following the date of the transaction, provided that as a result of such non-recording, the NAV calculations shall not be affected by more than 1%.

In case the NAV of a scheme differs by more than 1%, due to non-recording of the transactions, the investors or the scheme as the case may be, shall be paid the difference in amount as follows:

- (a) If the investors are allotted units at a price higher than the NAV or are given a price lower than the NAV at the time of sale of

their units, they shall be paid the difference in amount by the scheme.

- (b) If the investors are charged a lower NAV at the time of purchase of their units or are given a higher NAV at the time of sale of their Units, the AMC shall pay the difference in amount to the scheme(s). The AMC may recover the difference from the said investors.

The valuation guidelines outlined above are within the parameters of the Regulations and are subject to changes from time to time by the AMC and/ or the Trustee. However, such changes shall be in conformity with the Regulations.

In case of Additional Purchases and Redemptions the Recipient shall not require other written confirmation in respect of such Facsimile Instructions. Such Facsimile Instructions are solely for the convenience, and at the risk, of the Unit Holder / Investor ("Transmitter") and the Transmitter authorizes the Recipient to act on any Facsimile Instruction which the Recipient in good faith and in its sole discretion believes is transmitted from the Transmitter. The Recipient shall be entitled to treat any such Facsimile Instructions as if the same was given to the Recipient with the Transmitter's original signature.

The Recipient shall exercise due care in carrying out its internal verification procedures but shall not be liable for acting in good faith on such Facsimile Instructions which are transmitted from unauthorized persons, which shall be binding on the Transmitter whether made with or without his authority, knowledge or consent.

demands, liabilities, obligations, losses, damages, costs (including without limitation, interest and legal fees) and expenses of whatever nature (whether actual or contingent) directly or indirectly suffered or incurred, sustained by or threatened against the Recipient arising from or in connection with the Recipient in good faith accepting and acting on Fax Instruction requests. **NOTE:** Initial Purchases through Facsimile Instructions will only be accepted in the JPMorgan India Treasury Fund, JPMorgan India Liquid Fund, JPMorgan India Active Bond Fund and JPMorgan India Short Term Income Fund.

Such incomplete applications will be rejected. The Registrar / AMC may ask the investor to provide a blank cancelled cheque or its photocopy for the purpose of verifying the bank account number.

ASBA Facility is available for all the NFOs launched on or after October 1, 2010.

**ASBA (Applications Supported by Blocked Amount):** ASBA is an application containing an authorization given by the Investor to block the application money in his specified bank account towards the subscription of Units offered during the NFO of the Scheme. If an investor is applying through ASBA facility, the application money towards the subscription of Units shall be debited from his specified bank account only if his/her application is selected for allotment of Units.

**SCSB:** Self Certified Syndicate Bank has the same meaning as given to it in clause (zi) of sub regulation (1) of regulation 2 of the SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2009. SCSB is a bank which is recognized as a bank capable of providing ASBA services to its customers. Names of such banks would appear in the list available on the website of SEBI ([www.sebi.gov.in](http://www.sebi.gov.in)).

ASBA facility is provided to investors as a supplementary facility in addition to existing facility through cheques/demand drafts or any other mode of electronic payment for subscribing to the units of scheme(s) during the New Fund Offer period for schemes launched on or after October 1, 2010. Investor can submit an ASBA physically or electronically through the internet banking facility, to the SCSB with whom, the bank account to be blocked, is maintained. The SCSB shall then block the application money in the bank account specified in the ASBA, on the basis of an authorisation to this effect given by the account holder in the ASBA. The application money shall remain blocked in the bank account till the allotment of the issue or till withdrawal/rejection of the application, as the case may be.

ASBA facility is available to all the category of investors mentioned under "Who can invest" Section of the respective SID. Investors should note that, ASBA applications can be accepted only by SCSBs at their designated branches, whose names appear on the list of SCSBs displayed on SEBI's website ([www.sebi.gov.in](http://www.sebi.gov.in)).

In order to strengthen the Know Your Client ("KYC") norms and identify every participant in the securities market with their respective Permanent Account Number ("PAN"), thereby ensuring a sound audit trail for all transactions, SEBI has mandated that PAN will be the sole identification number for all participants transacting in the securities market, irrespective of the amount of transaction.

Accordingly, it is mandatory for investors to provide their PAN along with a self-attested (if required) copy of the investor's PAN card.

If the investment is being made on behalf of a minor, the PAN of the minor's father or mother or the guardian, who represents the minor, should be provided.

For all applications the applicant, or in the case of application in joint names, each of the applicants, should mention his / her PAN allotted under the Income Tax Act, 1961 and also submit a photocopy of the PAN card(s) or a communication from the income tax authority indicating allotment of PAN ("PAN Communication") along with the application for the purpose of verification of the number.

In accordance with the regulatory guidelines, the PAN card copy needs to be verified with the original.

An application should be complete in all respects before it is submitted.

It will be treated as incomplete and liable to be rejected if:

- the PAN is not mentioned;
- any other information or documents as may be required by the AMC or the Trustee have not been submitted together with the Application Form / Transaction Slips.

SEBI vide its circulars MIRSD / SE / Cir-21 / 2011 dated October 05, 2011, MIRSD / Cir-23 / 2011 dated December 02, 2011 and MIRSD / Cir-26 / 2011 dated December 23, 2011 had laid down a uniform KYC compliance procedure for all investors with effect from January 1, 2012. SEBI also issued KYC Registration Agency ("KRA") Regulations, 2011 and the guidelines in pursuance of the said Regulations for In-Person Verification ("IPV").

### 1. Requirement for the existing investors in mutual funds:

The existing investors in mutual funds who have already complied with the KYC requirement (defined for the purpose of this SID as KYC compliant) and have the KYC compliance letter issued to them by CDSL Ventures Limited are exempt from following the new KYC procedure effective January 01, 2012, but only for the purpose of making investments with any SEBI registered mutual fund.

If, however, the KYC compliant investors would like to deal with any SEBI registered intermediary other than mutual funds, they may have to follow the new KYC compliance procedure.

### 2. Requirement for the new investors in mutual funds:

With effect from January 01, 2012, all investors other than KYC compliant investors as defined above are required to follow the new KYC compliance procedure as mentioned below while making any investment with the Scheme:

- Fill up and sign the KYC application form (for individual investors or non-individual investors as appropriate) available on the website of AMC or AMFI or CDSL Ventures Ltd. Respectively i.e. www.jpmorganmf.com or www.amfi india.com or www.cvlindia.com
- At the time of transacting with the Mutual Fund, submit, in person, the completed KYC application form along with all the necessary documents as mentioned in the KYC application form with any of the offices of the distributors (qualified as per the following note), Registrar and Transfer Agent of the Mutual Fund and the Mutual Fund; and
- Obtain a temporary acknowledgement for submission of all the documents and completion of IPV;

**Note:** As per the SEBI circular MIRSD / Cir-26 / 2011 dated December 23, 2011, it is mandatory for SEBI registered intermediaries to carry out IPV of any investor dealing with a SEBI registered intermediary.

For investments in a mutual fund, the asset management companies and distributors which comply with the certification process of National Institute of Securities Market or Association of Mutual Funds in India and have undergone the process of "Know Your Distributors" are authorized to carry out the IPV. Unless the IPV process is completed, the investor will not be considered as KYC compliant under the new KYC compliance procedure and hence will not be permitted to make any investment in the Scheme.

For investors proposing to invest within the Mutual Fund directly (i.e. without being invested through any distributor), IPV done by a scheduled

commercial bank may be relied upon by the Fund. Once all the documents are verified by a KRA, they will send the investor a letter within 10 working days from the date of receipt of necessary documents by them from the Fund or its Registrar and Transfer Agent informing the investor either about compliance by the investor of the new KYC compliance procedure ("final acknowledgement") or any deficiency in submission of details or documents.

On the basis of the temporary acknowledgement or the final acknowledgement the investor would be eligible to deal with any of the SEBI registered intermediaries as mentioned in the above mentioned SEBI Circulars.

In order to protect investors from fraudulent encashment of cheques, the SEBI Regulations require that cheques for redemption of Units specify the name of the Unit Holder and the bank name and account number where payments are to be credited. Hence, all applicants for purchase of Units / redemption of Units must provide a bank name, bank account number, branch address, and account type in the Application Form.

In order to protect investors from fraud, it is advised that the Application Form number / folio number and name of the first investor should be written at the back of the cheque / draft, before being handed over to any courier / messenger / distributor / ISC.

In order to protect investors from fraudulent encashment of cheques, the Regulations require that cheques for Redemption of units specify the name of the unit holder and the bank name and account number where payments are to be credited. Hence, all applicants for purchase of units / redemption of units must provide a bank name, bank account number, branch address, and account type in the Application Form.

  - whenever required to do so if a requisition is made by three-fourths of the unit holders of the scheme.
  - when the Trustee decides to wind up a scheme or prematurely redeem the units.

8. The Trustee shall ensure that no change in the fundamental attributes of any scheme or the trust or fees and expenses payable or any other change which would modify the scheme and affects the interest of unit holders, shall be carried out unless:

  - the unit holders are given an option to exit at the prevailing Net Asset Value without any exit load.
9. In specific circumstances, where the approval of unit holders is sought on any matter, the same shall be obtained by way of a postal ballot or such other means as may be approved by SEBI.

### IV. INVESTMENT VALUATION NORMS FOR SECURITIES AND OTHER ASSETS

#### Background

The Eighth Schedule to the Securities and Exchange Board of India (SEBI) Mutual Funds Regulations, 1996, together with various circulars issued by SEBI from time to time, prescribed the norms, methodology and guiding principles for valuation of investments held by Mutual Fund schemes. Valuation of securities was done in conformity with these valuation norms.

SEBI, vide Gazette Notification No. LAD-NRO/GN/2011-12/38/4290 dated February 21, 2012, has brought about certain amendments to Regulations 25 and 47 and to the Eighth Schedule to the Securities and Exchange Board of India (SEBI) Mutual Funds Regulations, 1996. The key highlights of these amendments are as below:

- The valuation of investments should be based on the principles of fair valuation i.e. valuation shall be reflective of the realizable value of the securities/assets. The valuation should be done in good faith and in a true and fair manner, through appropriate valuation policies and procedures.
- The policies and procedures should identify the methodologies that will be used for valuing each type of security / asset held by the mutual fund schemes.
- Investment in new type of securities/assets by the mutual fund schemes should be made only after establishment of the valuation methodologies for such securities with the approval of the Board of the Asset Management Company.
- The assets held by mutual funds should be consistently valued according to policies and procedures.

- The policies and procedures should describe the process to deal with exceptional events, where market quotations are no longer reliable for a particular security.
- The policies and procedures need to be approved by the Board of the Asset Management Company.
- The valuation policies and procedures need to be periodically reviewed to ensure appropriateness and accuracy of the methodologies used and its effective implementation in valuing the securities/assets. Board of the Trustee Company and Board of the Asset Management Company should be updated on the outcome of the review, at appropriate intervals.
- The valuation policies and procedures should be reviewed at least once in a financial year, by an independent auditor, to assess and confirm their continued appropriateness.
- The valuation policies and procedures approved by the board of the Asset Management Company should seek to address conflict of interest.
- The Asset Management Company and the sponsor of the mutual fund will be liable to compensate the affected investors and/or the scheme for any unfair treatment to any investors as a result of inappropriate valuation.

While the amended regulations mandate AMCs to establish valuation policies and procedures, it also allows the AMC to deviate from these policies and procedures, where it is necessary and expedient to do so, to ensure a true and fair valuation. Accordingly, in the event of a conflict between the principles of fair valuation and valuation guidelines, the principles of fair valuation shall prevail.

#### Valuation Methodology

The standard valuation methodology for valuing each type of security/asset is explained in Annexure 1, which will be implemented w.e.f. July 01, 2012.

The methodology adopted for valuation of securities/assets is drawn in conformance with the principles of fair valuation and the SEBI Valuation Guidelines and valuation is done in good faith, in a true and fair manner, to reflect the realisable value of the security/asset.

Any changes to the valuation policy, procedures and methodology set out in Annexure I, would be progressive and prospective, with a view to fine tune the valuations, so as to align with the guiding principles of fair valuation.

All assets held by the Fund shall be consistently valued according to the defined valuation methodology. Where it is observed that the methodology as per Annexure 1 does not lead to fair valuation of securities / assets, the Investment and Valuation Committee may, on a prospective basis, deviate from the defined methodology and adopt alternate procedures/methods to arrive at the fair value. The rationale for any such deviations would be recorded in writing and placed before the Board of Directors of the Trustee Company and the Asset Management Company and appropriate disclosures to the investors would be made.

Investments in any new type of securities/assets by the mutual fund scheme would be made only after establishment of the valuation methodologies for such securities/ assets, with the approval of the Investment and Valuation Committee.

The Policy would be included in the Statement of Additional Information of the Fund and would also be made available on the website of the Fund.

The spread so fixed can be changed to reflect the changes in the market determined through an own trade or market trades at a different spread. Any change in the credit rating or the credit profile of the issuer could also require a change in spread.
- Own trade shall mean trades by schemes of JPMorgan Mutual Fund (except Interscheme trades), provided the face value of such trades is INR 5 crores or more. The price at which the own trade has taken place, will be considered as reflective of the realizable value of the total holding in a single instrument. Accordingly, the total holding in that instrument will be valued at the weighted average yield at which the own trade has taken place.
- Traded price available across various public platforms like FIIMDA, NSE WDM, BSE etc. would be considered for valuation. In case of multiple platforms reporting trades on the same day, the order of preference for considering the traded price would be FIMMDA, Exchange (NSE WDM, BSE). The qualifying criteria are to be observed at the exchange/platform level (as the same trades may be reported on multiple platforms).

Notwithstanding anything contained above, SEBI (Mutual Funds) Regulations, 1996, shall be applicable.

The Valuation Policy is subject to SEBI (Mutual Funds) Regulations, 1996 and AMFI guidelines as amended from time to time.

## V. ACCOUNTING POLICIES

In accordance with the Regulations, the AMC will follow the accounting policies and standards detailed below.

1. The AMC shall keep and maintain proper books of accounts, records and documents, for each scheme of the Mutual Fund so as to explain its transactions and to disclose at any point of time the financial position of any scheme and, in particular, to give a true and fair view of the state of affairs of such scheme.
2. For the purposes of the financial statements, the Mutual Fund shall mark all investments to market and carry investments in the balance sheet at market value. However, since the unrealised gain arising out of appreciation on investments cannot be distributed, provision shall be made for exclusion of this item when arriving at distributable income.
3. Dividend income earned by all schemes shall be recognised on the date on which the share is quoted on an ex-dividend basis, not on the date on which the dividend is declared. For investments which are not quoted on the stock exchange, dividend income shall be recognised on the date of declaration.
4. In respect of all interest-bearing investments, income shall be accrued on a day to day basis as it is earned. Therefore, when such investments are purchased, interest paid for the period from the last interest due date up to the date of purchase shall not be treated as a cost of purchase but shall be debited to an interest recoverable account. Similarly, interest received at the time of sale for the period from the last interest due date up to the date of sale shall not be treated as an addition to sale value but shall be credited to an interest recoverable account.
5. In determining the holding cost of investments and the gains or loss on sale of investments, the "average cost" method shall be followed.
6. Transactions for purchase or sale of investments shall be recognised as of the trade date and not as of the settlement date, so that the effect of all investments traded during a financial year are recorded and reflected in the financial statements for that year. Where investment transactions take place outside the stock market (for example, acquisitions through private placement or purchases or sales through private treaty), the transaction shall be recorded, in the event of a purchase, as of the date on which the scheme obtains an enforceable obligation to pay the price, or, in the event of a sale, when the scheme obtains an enforceable right to collect the proceeds of sale or an enforceable obligation to deliver the instruments sold.
7. Bonus shares to which a scheme becomes entitled shall be recognised only when the original shares to which the bonus entitlement accrues are traded on the stock exchange on an ex-bonus basis. Similarly, rights entitlements shall be recognised only when the original shares on which the rights entitlement accrues are traded on the stock exchange on an ex-rights basis.
8. Where income receivable on investments has accrued but has not been received for the period as specified in the SEBI guidelines for identification and provisioning for NPAs, provision shall be made by debiting to the revenue account the income so accrued in the manner specified in the SEBI guidelines for identification and provisioning for NPAs. Insofar as provision for the principal amount is concerned, the same shall be provided as specified in the aforesaid guidelines.
9. When units are sold, the difference between the sale price and the face value of the unit, if positive, shall be credited to reserves and if negative, shall be debited to reserves, the face value being credited to the capital account. Similarly, when units are repurchased, the difference between the purchase price and face value of the unit, if positive, shall be debited to reserves and, if negative, shall be credited to reserves, the face value being debited to the capital account.

When units are sold, an appropriate part of the sale proceeds shall be credited to an equalisation account, and when units are repurchased an appropriate amount shall be debited to an equalisation account. The net balance on this account shall be credited or debited to the revenue account. The balance on the equalisation account debited

or credited to the revenue account shall not decrease or increase the net income of a scheme but shall only be an adjustment to the distributable surplus. It shall therefore be reflected in the revenue account only after the net income of that scheme is determined.

10. The cost of investments acquired or purchased shall include securities transaction tax, brokerage, stamp charges and any charge customarily included in the broker's bought note. In respect of privately placed debt instruments, any front-end discount offered shall be reduced from the cost of the investment.

The accounting policies and standards outlined above are consistent with the current Regulations and are subject to changes made from time to time by the AMC and/or Trustee. However, such changes must be in conformity with the Regulations.

## VI. TAX, LEGAL AND GENERAL INFORMATION

### A. TAXATION ON INVESTING IN MUTUAL FUNDS

Prospective unit holders should inform themselves of and take their own advice on the taxes applicable to the subscription, holding and redemption of units, and any distribution (each, a "Relevant Event") under the laws of the place of their operations, domicile, residence, citizenship and/or incorporation. Neither the Fund nor any of the parties listed in the Section I of this Statement of Additional Information gives or makes any warranty and/or representation as to the tax consequences in relation to any Relevant Event (or combination of Relevant Events), takes any responsibility for any tax consequences in relation to any Relevant Event (or combination of Relevant Events) and each of the Fund and such parties expressly disclaims any liability whatsoever for any tax consequences in relation to any Relevant Event (or combination of Relevant Events) and/or for any loss howsoever arising (whether directly or indirectly) from any Relevant Event (or combination of Relevant Events). Dividends, interest income, gains on the disposal of investments and other income received by the Fund on its investments in some jurisdictions may be liable to the imposition of income tax, irrecoverable withholding tax or other tax.

The following paragraphs are based on Law and practice currently in force as well as known future tax changes at the date of this Statement of Additional Information and are subject to changes in content and interpretation. They are intended as a general guide only and do not necessarily describe the tax consequences for all types of investors in the Fund and no reliance, therefore, should be placed upon them.

Section 195(7) of the Act (effective from 1 July, 2012) provides that the Central Board of Direct Taxes (CBDT) may specify a class of persons or cases, where a person responsible for making any payment to a non-resident (other than a company) or a foreign company, shall make an application to the Assessing Officer to determine the appropriate proportion of sum chargeable to tax and upon such determination, tax shall be deducted under section 195(1) of the Act on such chargeable proportion.

### (ix) Tax on Income distributed by the Mutual Fund

Under the provisions of section 10(35) of the Act, income received in respect of units of a mutual fund specified under section 10(23D) of the Act will be exempt from income tax in the hands of all unit holders.

In view of the exemption of income in the hands of the unit holders, no tax needs to be deducted at source from such distribution by the Fund on or after April 1, 2003, under the provisions of sections 194K and 196A of the Act.

### Dividend stripping

Under the provisions of section 94(7) of the Act, where a person buys any units within a period of three months before the record date, sells such units within nine months after such date and the income distributed on such units is exempt from tax, the loss on such sale to the extent of the income distributed on units shall be ignored while computing the income chargeable to tax.

### Bonus stripping

Under the provisions of section 94(8) of the Act, where a person buys units (original units) within a period of three months before the record date, receives bonus units on such original units, and then sells (all or part of) the original units within a period of nine months from the record date and continues to hold the bonus units, then the loss incurred on the original units shall be ignored while computing the income chargeable to tax but shall be deemed to be the cost of acquisition of the bonus units.

### (x) Switching between options

As stated in Section B (Legal Information) switching from one option to another option will be effected by way of Redemption of units of the relevant option and reinvestment of the redemption proceeds in the other option selected by the Unit Holder. Hence switching will attract the same implications as applicable on transfer of such units.

### (xi) Exemptions from long-term capital gains

As per the provisions of section 54EC of the Act, taxable long-term capital gains [including gains arising on transfer of a long-term capital asset being units not otherwise exempt under section 10(38) of the Act] are exempt from tax to the extent such capital gains are invested, within a period of six months of such transfer, in acquiring bonds redeemable after 3 years and issued on or after April 1, 2007 by the National Highways Authority of India and by the Rural Electrification Corporation Limited. A ceiling of Rs 5,000,000 applies in respect of investment in such bonds in any financial year.

If the said bonds are transferred within a period of 3 years from the date of their acquisition, the amount of capital gains exempted earlier would become chargeable to tax as long-term capital gains in the year in which the bonds are transferred.

As per the provisions of Sec 54F of the Act in the case of an individual or a HUF, specified taxable long-term capital gains [including gains arising on transfer of a long-term capital asset being units not otherwise exempt under section 10(38) of the Act] are not chargeable to tax if the entire net consideration received on such transfer is invested within the prescribed

period in a residential house. If part of such net consideration is invested within the prescribed period in a residential house, then proportionate exemption is available.

### (xii) Set-off and carry forward of losses

According to the provisions of the Act, the capital loss resulting from sale of units would be available for set off against other capital gains made by the investor and would reduce the tax liability of the investor to that extent. However, losses on transfer of units held as long-term capital assets would be allowed to be set-off only against gains from transfer of long-term capital assets. Where such losses arising from sale of units held as capital asset cannot be wholly set-off, the amount of losses not set-off can be carried forward for a period of eight years. However, when the long-term gains arising on transfer of units are not subject to tax then the long-term losses from such units would not be allowed to be set off or carried forward.

Under the Act, a loss resulting from the transfer of units held as stock in trade or trading asset would be available for set off against income under any other head other than income under the head 'Salaries'. Where such loss cannot be wholly set-off in accordance with the provisions of the Act, the amount remaining to be set-off can be carried forward for a period of eight years and set-off against income under the head 'Profits and Gains of Business or Profession'.

### (xiii) Minimum Alternate Tax

Section 115JB of the Act provides that a company is subject to provisions of Minimum Alternative Tax. Where the tax payable as per the regular provisions of the Act is less than 18.5 per cent of the book profits computed under the said provisions, tax shall be payable at the rate of 18.5 per cent (of the book profit) plus applicable surcharge and education cess.

Under the Act, long-term capital gains arising on sale of units of an equity oriented fund and exempt under the provisions of section 10(38) of the Act, would not be excluded from the book profits while calculating profits chargeable to minimum alternate tax.

### (xiv) Alternate Minimum Tax

The Finance Act, 2012 has introduced section 115JC in the Act which provides that any person (other than company) is subject to provisions of Alternate Minimum Tax (AMT). Where tax payable as per regular provisions of the Act is less than 18.5 per cent of the adjusted total income as calculated under the aforesaid section, tax shall be payable at the rate of 18.5 per cent (of the adjusted total income) plus applicable surcharge and education cess. The provisions for AMT are applicable only where:

1. The taxpayer has claimed deductions under sections included in Chapter VIA of the Act under the heading '*Deduction in respect of certain income*'; or
2. The taxpayer has claimed deduction under section 10AA of the Act.

However, the above provisions in relation to AMT will not apply to individual, HUF, AOP or BOI if their adjusted total income does not exceed Rs. 2,000,000.

### (xv) General Anti-Avoidance Rule

The provisions of General Anti-Avoidance Rule (GAAR) have been introduced by the Finance Act, 2012 under Chapter X-A of the Act. GAAR is a broad set of provisions that has the effect of invalidating an arrangement that has been entered into by a taxpayer, under certain circumstances, where the main purpose or one of the main purposes is to obtain a tax benefit. This provision is introduced to address aggressive tax planning and codify the doctrine of "substance over form". Where an arrangement is declared to be an "impermissible avoidance agreement", the income-tax authorities can determine the consequences in relation to tax, of the arrangement, as may be deemed appropriate, including denial of tax benefit under a DTAA.

However, the implementation of GAAR will be effective from 1 April, 2013.

As the Fund is exempted from its entire income (including foreign income) in India, credit / refund in respect of such foreign taxes withheld / paid by the fund will not be available.

- (ii) **Gift-tax:** The Gift-tax Act, 1958 has ceased to apply to gifts made on or after October 1, 1998. Gifts of units purchased in a scheme of the Mutual Fund would therefore, be exempt from gift-tax.

**EACH INVESTOR IS ADVISED TO CONSULT HIS OR HER OWN TAX CONSULTANT WITH RESPECT TO THE SPECIFIC TAX IMPLICATIONS ARISING OUT OF HIS OR HER PARTICIPATION IN THE SCHEME.**

### Note: United States ("US") Tax Withholding and Reporting under the Foreign Account Tax Compliance Act ("FATCA")

Under the FATCA provisions of the US Hiring Incentives to Restore Employment ("HIRE") Act, where the Fund invests directly or indirectly in US assets, payments to the Fund of US-source income after December 31, 2013, gross proceeds of sales of US property by the Fund after December 31, 2014 and certain other payments received by the fund after December 31, 2016 will be subject to 30% US withholding tax unless the Fund complies with FATCA. FATCA compliance can be achieved by entering into an agreement with the US Secretary of the Treasury under which the Fund agrees to certain US tax reporting and withholding requirements as regards holdings of and payments to certain investors in the Fund or, if the Fund is eligible, by becoming a deemed compliant fund. However, the form of the agreement has not been provided by the US Government, the US regulations which set out the detailed rules have not been finalised and there may be agreements reached between certain governments and the United States that could impact upon compliance with FATCA. Any amounts of US tax withheld may not be refundable by the Internal Revenue Service ("IRS"). Potential investors should consult their advisors regarding the application of the withholding rules and the information that may be required to be provided and disclosed to the Fund's Paying Agent, and in certain circumstances to the IRS, as will be set out in the final FATCA regulations. The application of the withholding rules and the information that may be required to be reported and disclosed are uncertain and subject to change.

### Anti Money Laundering

The Sponsor and its parent company, JPMorgan Chase & Co. are committed to complying with all applicable anti-money laundering laws and regulations in all of their operations. In India, the Prevention of Money Laundering Act, 2002 (PMLA) and the rules under it have been notified. Further, SEBI has also issued guidelines on anti-money laundering which are required to be followed by the intermediaries. The Sponsor and JPMorgan Chase recognize the value and importance of creating a business environment that strongly discourages money launderers from using the Sponsor or JPMorgan Chase in pursuance of such activities. To that end, certain policies have been adopted by the AMC.

### Know Your Customer (KYC)

The need to "Know Your Customer" is vital for the prevention of money laundering. The AMC may seek information or obtain and retain documentation used to establish identity. It may re-verify identity and obtain any missing or additional information for this purpose.

Since January 1, 2011, KYC is mandatory for all investors making investment in mutual funds, irrespective of the amount of investment.

Please refer to page 20 of the SAI, our website ([www.jpmorganmf.com](http://www.jpmorganmf.com)) and the AMFI website for more details.

SEBI vide its circulars MIRSD/SE/Cir-21/2011 dated October 05, 2011, MIRSD/Cir-23/2011 dated December 02, 2011 and MIRSD/Cir-26/2011 dated December 23, 2011 had laid down a uniform KYC compliance procedure for all investors with effect from January 1, 2012. SEBI also issued KYC Registration Agency ("KRA") Regulations, 2011 and the guidelines in pursuance of the said Regulations for In-Person Verification ("IPV").

The above shall be subject to AMFI/SEBI guidelines as amended from time to time.

All investors (both individual and non-individual) can apply for KYC Compliance. However, applicants should note that minors cannot apply for KYC Compliance and any investment in the name of minors should be made along with a guardian, who should obtain a KYC Compliance certificate for the purpose of investing with the Mutual Fund. Applicants / unit holders intending to apply for units / currently holding units and operating their scheme folios through a PoA must ensure that the issuer of the PoA and the holder of the PoA mention their respective KYC Compliance certificates at the time of investment above the threshold. PoA holders are not permitted to apply for KYC Compliance certificate on behalf of the issuer of the PoA. Separate procedures are prescribed for change in name, address and other KYC Compliance related details, should the applicant desire to change such information. The PoS will offer the services of effecting such changes. Further details on KYC Compliance can be sought on the AMC's website ([www.jpmorganmf.com](http://www.jpmorganmf.com)) and at the AMFI website ([www.amfiindia.com](http://www.amfiindia.com)).

The AMC, under powers delegated by the Trustee, shall have absolute discretion to reject any application, prevent further transactions by a unit holder, delay processing redemption as per applicable laws or regulations if:

- (i) after due diligence, the investor / unit holder / a person making the payment on behalf of the investor does not fulfil the requirements of "Know Your Customer" norms as determined by the AMC or the AMC believes that the transaction is suspicious in nature as regards money laundering;
- (ii) the AMC determines in its sole discretion that the application does not or may not comply with any applicable laws or regulations.

In this regard the AMC reserves the right to reject any application and effect a mandatory Redemption of units allotted at any time prior to the expiry of 30 Business Days from the date of the application.

If the payment for purchase of units is made by a third party (e.g. a power of attorney holder, a financing agency, a relative, etc.), the unit holder may be required to give details of such transaction so as to satisfy the AMC of the source and/or consideration underlying the transaction.

**Investor Protection:** The schemes of the Mutual Fund are designed to support long-term investment and active trading is discouraged. Short term or excessive trading into and out of a scheme may affect its performance by disrupting portfolio management strategies and by increasing expenses. The Mutual Fund, the AMC, or the Trustee may refuse to accept applications for purchase, especially where transactions are deemed disruptive, particularly from market timers or investors who, in the Mutual Fund's / AMC's or the Trustee's opinion, have a pattern of short term or excessive trading or whose trading has been or may be disruptive for such scheme. If, in the opinion of the AMC, a unit holder is indulging in short term or excessive trading as above, the AMC shall, under powers delegated by the Trustee, have absolute discretion to reject any application, prevent further transaction by the unit holder or redeem the units held by the unit holder at any time prior to the expiry of 30 Business Days from the date of the application.

### Investor information

The AMC may share investors' personal information with the following third parties:

- Sponsor or its associates, Trustee, Registrar, banks and / or authorised external third parties who are involved in transaction processing, despatch, etc. of a scheme;
- Distributors or sub-brokers through whom applications of investors are received for a scheme; or
- Any other persons for compliance with any legal or regulatory requirements or to verify the identity of investors for compliance with anti-money laundering requirements.

Account statements or financial information pertaining to the investor, if sent over the internet to the unit holder, distributors or any other entity as indicated above, will be sent only through a secure means and / or through electronic mail.

### Switching

Investors can switch between different options under a scheme, at the applicable NAV. All valid applications for switch-out shall be treated as a Redemption and for switch-in as a Purchase with the respective applicable NAVs of the option. As per the current load structure, no entry or exit load will be charged for intra-scheme switching. However, the AMC may change the loads prospectively as indicated in the relevant Scheme Information Document.

Note: For tax implications on switching please see **Section VI - Tax treatment of investments in mutual funds.**

### Lien on units for loan

In conformity with the guidelines and notifications issued by SEBI / Government of India / any other regulatory agencies from time to time, as applicable, units under a scheme may be offered as security by way of a lien / charge in favour of scheduled banks, financial institutions, non-banking finance companies, or any other body. The Registrar will note and

record the lien against such units. A standard form for this purpose is available on request from the Registrar.

The unit holder will not be able to redeem / switch units under lien until the lien holder provides written authorisation to the AMC / Mutual Fund that the lien is discharged. As long as units are under lien, the lien holder will have complete authority to exercise the lien, thereby redeeming such units and receiving payment proceeds. In such instance, the unit holder will be informed by the Registrar through an account statement. In no case will the units be transferred from the unit holder to a lien holder. Dividends declared on units under lien will be paid / re-invested to the credit of the unit holder and not the lien holder.

### Folio number

Unless otherwise requested by the unit holder, a single folio number may be assigned if an investor invests in different schemes of the Mutual Fund, and a consolidated account statement will then be provided for investments in all the schemes.

### Fractional Units

Since a request for Purchase or Redemption is generally made in rupee amounts and not in terms of a fixed number of units of the schemes of the Mutual Fund, an investor may be left with fractional units. Fractional units will be computed and accounted for up to three decimal places for each scheme. However, fractional units will in no way affect the investor's ability to redeem the units, either in part or in full, standing to the unit holder's credit.

### Dividends and Distribution

The Trustee may decide to distribute by way of dividend, the surplus by way of realised profit, dividends and interest, net of losses, expenses and taxes, if any, to unit holders in the dividend option of the schemes of the Mutual Fund if such surplus is available and adequate for distribution in the opinion of the Trustee. The Trustee's decision with regard to availability and adequacy, rate, timing and frequency of the distribution shall be final. The dividend will be due to only those unit holders whose names appear in the register of unit holders in the dividend option of the scheme, where applicable, on the record date which will be announced in advance. The unit holders shall have the option of receiving the dividend or reinvesting the same. The dividend shall be reinvested at the applicable NAV of the immediately following Business Day.

The AMC shall despatch to the unit holders the dividend warrants within 30 days of the date of declaration of dividend. The dividend distribution procedure shall be in accordance with the Regulations.

### Borrowings by the Mutual Fund

Under the Regulations, the Mutual Fund is allowed to borrow to meet the temporary liquidity needs of a scheme for the purpose of repurchase, Redemption of units or payment of interest or dividend to the unit holders. Further, as per Regulations, the Fund shall not borrow more than 20% of the net assets of such scheme and the duration of such borrowing shall not exceed a period of six months.

The Mutual Fund may enter into necessary arrangements with banks / financial institutions for borrowing purposes, either directly or through the AMC, as permitted by the Regulations. The scheme may bear the interest charged on such borrowings.

### Redemption or Repurchase

The unit holder has the option to request for Redemption either in an amount of rupees or in number of units.

Units can be redeemed (i.e. sold back to the Mutual Fund) at the Redemption Price during the Ongoing Offer Period. If an investor has purchased units of a scheme on more than one Business Day, the units will be redeemed on a first-in-first-out basis. If multiple Purchases are made on the same day, the Purchase appearing earliest in the account statement will be redeemed first.

### Payment of proceeds

#### 1. Resident Investors

Redemption proceeds will be paid by cheques, marked "A/c Payee only" and drawn in the name of the sole holder / first-named holder (as determined by the records of the Registrar).

The Mutual Fund will endeavour to despatch the redemption proceeds not beyond 10 Business Days from the date of redemption. If the payment is not made within the period stipulated in the Regulations, the unit holder shall be paid interest @15% per annum for the delayed period and the interest cost shall be borne by the AMC.

The bank name and bank account number, as specified in the Registrar's records, will be mentioned in the cheque issued in favour of the unit holder. The cheque will be payable at par at all the cities having Investor Service Centres (ISCs). If the unit holder resides in any other city, he will be paid by a demand draft payable at the city of his residence and the demand draft charges shall be borne by the AMC. The proceeds may be paid by way of direct credit / EFT / SEFT / RTGS / wire transfer / any other manner through which the investor's bank account specified in the Registrar's records may be credited with the redemption proceeds.

Note: The Trustee, at its discretion at a later date, may choose to alter or add other modes of payment.

The Redemption proceeds will be sent by courier or (if the addressee city is not serviced by courier) by registered post. The despatch for the purpose of delivery through the courier / postal department, as the case may be, shall be treated as delivery to the investor. The AMC / Registrar are not responsible for any delayed delivery or non-delivery or any consequences thereof, if the despatch has been made correctly as stated in this paragraph.

#### 2. Non-Resident Indian Investors

For NRIs, Redemption proceeds will be remitted depending upon the source of investment as follows:

##### (a) Repatriation Basis

When units have been purchased through remittance in foreign exchange from abroad or by cheque / draft issued from proceeds of the unit holder's FCNR deposit or from funds held in the unit holder's Non Resident (External) Rupee (NRE) account kept in India, the proceeds can be remitted to the unit holder in foreign currency (any exchange rate fluctuation will be borne by the unit holder). The proceeds can also be sent to his Indian address for crediting to his NRE / FCNR / Non-Resident (Ordinary) account (NRO), if desired by the unit holder.

##### (b) Non-Repatriation Basis

When units have been purchased from funds held in the unit holder's Non-resident (Ordinary) account, the proceeds will be sent to the unit holder's Indian address for crediting to the unit holder's Non-resident (Ordinary) account.

For FIIs, the designated branch of the authorised dealer may allow remittance of net sale / maturity proceeds (after payment of taxes) or credit the amount to the foreign currency account or Non-resident Rupee account (NRR) of the FII maintained in accordance with the approval granted to it by the RBI.

The Mutual Fund will not be liable for any delays or for any loss on account of any exchange fluctuations, while converting the rupee amount in foreign exchange in the case of transactions with NRIs / FIIs.

The Mutual Fund may make other arrangements for effecting payment of redemption proceeds in the future.

### Transfer of units

The Mutual Fund will offer and redeem the units on a continuous basis after the NFO Period. If a person becomes a unit holder in any of the schemes consequent to operation of law, the Mutual Fund will, subject to production of satisfactory evidence that the transferee is otherwise eligible to hold the units, effect the transfer. Similarly, in cases of transfers taking place consequent to death or insolvency, the transferee's name will be recorded in the register of the Mutual Fund by the Registrar subject to production of satisfactory evidence and the transferee being eligible to hold the units. In all such cases, if the transferee is not eligible to hold the units, the units will be redeemed and the proceeds will be disbursed to the transferee if such transferee is entitled to the same.

### Transmission of units

If units are held in a single name by the unit holder, units shall be transmitted in favour of the nominee where the unit holder has appointed a nominee upon production of the death certificate or any other documents to the satisfaction of the AMC / Registrar. If the unit holder has not appointed a nominee or in cases where the nominee dies before the unit holder, the units shall be transmitted in favour of or as otherwise directed by the unit holder's personal representative(s) on production of the death certificate and / or any other documents to the satisfaction of the AMC / Registrar. If units are held by more than one registered unit holder, then upon the death of one of the unit holders, the units shall be transmitted in favour of the remaining unit holder(s) (in the order in which the names appear in the register of unit holders with the Registrar) on production of a death certificate and / or any other documents to the satisfaction of the AMC / Registrar and in favour of the nominee only upon death of all the unit holders.

Any person who becomes entitled to a unit as a consequence of the death or bankruptcy of any sole unit holder or of the survivor of joint unit holders shall not be entitled to receive notices of or to attend or vote at any meeting of unit holders until such person is registered as the unit holder of such unit. If any person is entitled to be registered as the unit holder or to transfer any unit in accordance with the provisions of the Scheme Information Document, the Trustee may retain any moneys payable in respect of such unit on trust until such person is registered as the unit holder of, or has transferred, the relevant unit.

### Duration of the Scheme

The duration of a scheme is perpetual except in case it is close ended scheme. However, in accordance with the Regulations, a scheme may be wound up, after repaying the amount due to the unit holders:

- on the happening of any event which, in the opinion of the Trustee, requires a scheme to be wound up; or
- if 75% of the unit holders of a scheme pass a resolution that the scheme be wound up; or
- if SEBI so directs in the interests of unit holders; or
- in case of non-fulfilment of conditions prescribed in SEBI circular no. SEBI/IMD/CIR No. 10/22701/03 dated December 12, 2003 and amendments thereto from time to time.

If a scheme is so wound up, the Trustee shall give notice of the circumstances leading to the winding up of such scheme:

- to SEBI; and
- in two daily newspapers having a circulation all over India, and in a vernacular newspaper with circulation in Mumbai.

On and from the date of the publication of notice of winding up, the Trustee or the AMC, as the case may be, shall:

- cease to carry on any business activities in respect of the scheme so wound up;

- (b) cease to create or cancel units in the scheme; and
- (c) cease to issue or redeem units in the scheme.

### Procedure and manner of winding-up

The Trustee shall call a meeting of the unit holders to approve, by simple majority of the unit holders present and voting at the meeting, a resolution authorising the Trustee or any other person to take steps for winding up of any scheme launched by the Mutual Fund.

The Trustee, or other person authorised as above, shall dispose of the assets of a scheme in the best interest of unit holders of such scheme. The proceeds of sale shall be first utilised towards discharge of such liabilities as are due and payable under the scheme, and after meeting the expenses connected with winding-up, the balance shall be paid to the unit holders in proportion to their respective interests in the assets of the scheme, as on the date when the decision for winding-up was taken.

The investment management fee charged by the AMC for managing such unclaimed amounts shall not exceed 50 basis points. In terms of the circular, the onus is on the AMC to make a continuous effort to remind investors through letters to take their unclaimed amounts. The details of such unclaimed amounts shall be disclosed in the annual report sent to the unit holders.

3. In the event of breakdown in the means of communication used for the valuation of investments of a scheme, so that the value of the securities of such a scheme cannot be accurately or reliably arrived at.
4. If, in the sole opinion of the AMC, extreme volatility of markets causes or might cause, prejudice to the interests of the unit holders of a scheme.

In any of the above eventualities, the time limits for processing requests for purchase and redemption of units will not be applicable. All types of Purchase and Redemption of units will be processed on the basis of the immediately next applicable NAV after the resumption of dealings in units.

The Mutual Fund / Trustee / AMC also reserve the right, at their sole discretion, to withdraw sale of and/or repurchase and/or switching of units in a scheme, temporarily or indefinitely, if in the opinion of the AMC, increasing the scheme's size further may prove detrimental to the existing unit holders of such scheme. However, the suspension of sale / repurchase / switching shall be made with the approval of the Trustee. In this event, an application to purchase units is not binding on, and may be rejected by, the Trustee, the AMC and/or their respective agents.
